

ADAIR COUNTY ANIMAL HOSPITAL & Laser Surgery Center

August 17th, 2023

Dear Valued Pet Parent and Client,

Because you're a current Wellness Plan Member of Adair County Animal Hospital & Laser Surgery Center, we wanted to let you know that we're making improvements to our Wellness Plans!

These changes will take effect September 1st, 2023 and will include a price increase to monthly payments and co-pays. We are proud to have been able to offer the same pricing and items in our plans over the past 3 years. **We've decided to reorganize our Wellness Plans for a more customizable experience for your pet and your wallet.** New plans offered and updated base pricing are as follows:

Kitten Basic	Kitten Plus	Cat Young	Cat Adult	Cat Senior	Puppy Basic	Puppy Plus	Dog Young	Dog Adult	Dog Senior
\$42	\$70	\$26	\$45	\$77	\$44	\$87	\$31	\$52	\$86

What this means for you is that your current plan will automatically renew to one of our new comparable plan offerings and updated pricing. Additional services are still available to add to specific plans as requested or recommended.

Please don't hesitate to contact our Customer Service Representatives at 270-384-6113 with any questions or concerns as well specific information about your plan details and new monthly pricing.

As always, our purpose is to improve the AAHA-accredited, high-quality care we provide for your pet. We're excited and confident that our new plans will help accomplish that!

Thank you for putting your trust in our hospital!

Drs. Shantila Rexroat, DVM, Terri Pettyjohn, DVM, Vasi Wilk, DVM, and veterinary team
